WHO IS LIKE YOU,
O LORD?
EXODUS 13 - 15:21

pray

Our situation looks dire, but things could have been worst without the ECQ implementation.

- Let us pray that the citizenry will take the matter seriously and comply with the quarantine rules.

Let us praise the Lord for the decreasing number of fatalities due to Covid-19.

- Let us pray for God's mercy to put a halt to the number of those who are dying.

Even though the number of cases continues to increase, the figures say that more and more sick people from Covid-19 are recovering.

- Let us pray for a 100% recovery rate.

From March 27 up to April 15 there are actually more fatalities than those who have recovered. But since April 16, there has been a reversal and the count of people recovering from the disease exceeded the fatalities. As of April 21, 4PM, the number of those who recovered reached almost 150% compared to deaths.

- Let us pray that this trend will continue.
- Above all, let us pray that people everywhere will respond to God positively, receive Christ by faith, and start giving glory to our heavenly Father.
