Dear Family and Friends: Linda underwent a very successful lower back surgery to repair an extruding disc and other spinal issues. This surgery that normally takes 4-5 hours was completed in just 3 hours. The surgeon was amazed that there was so little bleeding during the surgery. Linda was up standing, and doing a little walking today. She will be coming home Sunday. Please continue to pray for a full, speedy recovery. Thank you so much for your prayers and support. The doctor said that many people must have been praying for Linda! Because of the generosity of many of God's people, our bill will be paid in full when we leave the hospital on Sunday. Praise the Lord with us for His grace, mercy, and faithfulness in all our lives. Blessings!
