ADORATION

Yours, O Lord, is the greatness and the power and the glory and the victory and the majesty, for all that is in the heavens and in the earth is yours. Yours is the kingdom, O Lord, and you are exalted as head above all. Both riches and honor come from you, and you rule over all. In your hand are power and might, and in your hand it is to make great and to give strength to all.

1 CHRONICLES 29:11-12

Lord, we are simply awed, drawn to bow and worship before You, our great and glorious God!
These verses, though packed with all of Your attributes, still fails to fully capture Your being.

What an indescribable God we have!

Let us worship Him who has the infinite power & might to bless our days,
in whom our very strength is from.

Praise You for the greatness and power, all glory, victory and the majesty that are Yours alone!

CONFESSION

FOR THE DAILY PROVISION OF MEMBERS,

may the Lord keep us hopeful and trusting in His promises to provide for our every need especially for those with financial difficulties among our brethren

FOR DAILY SAFETY AND PROTECTION OF MEMBERS, THEIR FAMILY & FRIENDS,

for those who travel to work, for those serving in the frontlines

Dear GCF East Brethren: By our God's sovereign will, He has placed the whole earth in the grip of this dreaded Covid-19 pandemic. Many have died, including some of your loved ones and friends. But His unchanging, eternal Word continues to assure us that He does not stop working everything for the good of those whom He has called according to His purposes. In fact, by faith we know that all of history is working towards a climatic and glorious goal – our blessed Hope!

This is not to say that we shouldn't cry because of those who are sick, or grieve for those who succumbed. The sorrow, and even occasional fear that we feel, should draw us to passionately bend our knees and to petition our Father who has committed to love us with and everlasting love. This is also the time we must show love to the brethren who are suffering directly or indirectly due to Covid-19 or any other malady. In line with this, we are providing you with a list of those of us, or their loved ones, who are stricken with Covid-19. Let us pray and give support as we embody the love of God poured into our hearts.

SPECIAL UPDATE ON ELDER ABEL FORONDA

Sis FE FORONDA (October 6 Update)

Dear Brothers and Sisters in Christ:

Thank you again for your continued partnership with us in interceding for my dear husband, Abel.

PRAISE:

1. The song comes to mind, "You have been so good." We are humbled and awed by God's abundant presence with and provision for us during this time. As you pray today, please join us in praising our God the extra special kindness He has shown our family during this time. You are each a part of that manifestation of that kindness. You have all come through to support us in very concrete ways and helped to open doors for us that we ourselves could not have accessed. God's insurmountable goodness has come through for us in you. May He continue to be magnified not only in our lives through this experience, but in yours as well. He is Immanuel, Jehovah Shammah, the God who has demonstrated that He is with us in this storm and shall calm the wind and the sea. He is Jehovah Jireh, the God who is Provider and continues to provide for us in myriad ways through a multiplicity of people during this crisis. He is Jehovah Rapha, He who heals indeed and is even now working His healing power on behalf of our Abel.

SUPPLICATION:

1. *As previously informed to you, Abel has been intubated and his oxygen saturation levels remains low. We continue to request prayer for the complete healing of his lungs. At present the scarring wrought by the viral and the bacterial pneumonia on his lungs has left him unable to breath sustainably on his own. He is on new medication, please pray that our God would make this and the other therapies he is having to undergo be efficacious for bringing his lungs to complete healing.*
2. *There is limited availability if at all of most of the medications that we are having to source, as such we have great difficulty accessing them, some only available through large private hospitals for in patients, and mostly through independent sellers, and on one occasion we have been scammed, and lost money to a vendor. Therefore, please pray that God would direct us to find legitimate sources, who offer adequate quality supplies at affordable prices in the days we need them. Because many of these medications are in short supply and demand has risen exponentially, some people are over-charging for them. On some days where we can't seem to find prescribed meds, stress is all time high as we race against time, supply, and costs.*
3. *Pray for each of the doctors on Abel's case. They have a multiplicity of patients and are working overtime. Pray for their protection, their vigilance, their skill, and their wisdom in selecting interventions and in implementing them.*
4. *Pray for the nursing staff in the ICU caring for Abel. It is a 24-hour role. Please pray for God's provision and protection for them, as well as for their vigilance over Abel, their patience and persistence in kind and gentle, excellent quality care.*
5. *Pray for our family, for our mental, emotional and physical well-being, please include Abel's elderly parents, both of whom are not well.*
6. *Pray that the Wonderful Counsellor will continue to minister healing to Abel deep within his soul especially at this time when he is not able to talk with anyone, he is communing with the Wonderful Counsellor, the Prince of Peace.*

THANKSGIVING:

1. *We continue to glorify the name of our God for Abel's negative Covid Status which has meant transfer to non-Covid-19 ICU. By His grace a bed opened up and Abel was transferred successfully last Tuesday.*
Because of this location we can now visit him, albeit from a distance, which we have not been able to do throughout his hospitalization. We can see him, and he can hear us through recorded voice. By God's grace we were able to share a time of worship, by having him hear some of his favorite praise songs together this past Sunday.
2. *So far, with the help of network of friends, family members, church members, colleagues and sometimes strangers, we have been able to source and purchase the additional medications that he needs as doctors work to restore him to health.*
3. *My niece doctor who closely monitors Abel's case and provides timely information to us on his status has been on quarantine due to Covid exposure by a close contact. By God's grace, her test is negative and was able to return to work today. We are grateful for God's loving watch care over her.*

*Sincerely,
Sis. Fe*

Praise God that I can walk a bit now but there is still minor pain. Thanks to all. Can you please also include in your prayers, my father, my niece and nephew who are in Lipa City, they are all covid positive. They are staying in same house. - **Sis Sam Mondoy: Update on my brother Totoy's condition.**
I would like to thank you for your faithful prayers for my brother. Praise God for the wisdom and grace to us. He mercifully ushered us to every decision that's needs to be done each day. Four of us are in home quarantine and closely monitoring each other, specifically my brother. None of us are showing symptoms since Sunday. My brother has a low grade fever but managed by taking Paracetamol. He is having stomach ache and taking meds for it. No seizures since the doctor administered anti seizures last Saturday. If you could continue to remember him in your prayers for complete recovery. That his fever and stomachache will completely be gone, and his seizure will not flare up again. Thank you brothers and sisters for bringing our plea to the throne of grace. God bless us.
